## A GREAT BIG KICK.

"We dislike exceedingly to be esteemed a kicker, but, when we do start out in that line, we like to do so to a finish. For some time we have had complaints from our subscribers living on the Lawrenceburg pike that they are from four to five days in receiving their papers. Some of them even going so far as to say that they will be compelled to discontinue their papers if this is not remedied.

"From what we can learn the trouble is that there is a gap in the R. F. D. routes Nos. 1 and 2, from this city and from Lawrenceburg. The Lawrenceburg route comes to a certain point and there turns off and the route from this city does not quite reach to the point where the Lawrenceburg route turns off, so that citizens living in the gap get no mail at all, or only at intervals. This is a perfect nuisance and ought to be abated. Understand we are not blaming the R. F. D. boys, but their superiors who have laid out these routes.

An instance in point. One of our subscribers told us last Friday that he had not yet received his Roundabout of July 23. He also said that he ordered a piece of machinery for some of his farming implements and waited several days for it to come. Not hearing, he sent a man to the city and he brought it home, at an outlay of \$7.25. After he had the machinery at home he received a postal from the Express Company, telling him that the needed works were in their office. This postal was on the way four days. Being so much annoyed by these failures in the mail, the gentleman, as a last resort, is using the telephone to send his orders to the city involving heavy expense. He says it is much worse than it ever was in the old times before the rural routes were established, and this gentleman lives in 100 yards of the pike.

"We trust this matter may be attended to and the proper remedy applied speedily.

## A PERFECT PAINLESS PILL.

Is the one that will cleanse the system, set the liver to action, remove the bile, clear the complexion, cure headache and leaves a good taste in the mouth. The famous little pills for delicate work in the family and effectually are Dr. Williams' Little Early Risers. Bob Moore, of Lafayette, Ind., says: "All other pills I have used give me sickness, while Dr. Williams' Little Early Risers are simply perfect." Sold by J. W. Gayle.

## ADJUDGED A LUNATIC.

Mr. Pat Sullivan was tried before Judge J. H. Polsgrove on a writ of habeas corpus, on Monday, and ordered sent to the asylum.

## REVENUE COLLECTIONS FOR JULY.

Deputy Collector Grant L. Roberts collected Federal revenue taxes for the month of July as follows: 1,737 barrels, \$8,372.50 tax gallons; \$75,210.15 amount of taxes.

## SPLENDID RAIN.

We had another splendid rain on Monday evening. It poured down very nicely for more than an hour and then rained quietly for two hours or more. All mannie smiled in welcome, as the weather had been very warm Saturday, Sunday and up to the time of the storm on Monday.

Dr. Weaver's Syrup and Cerate. Successful treatment for blood and skin diseases.

## NEARLY FORFEITS HIS LIFE.

A runaway almost ending fatally, started a horrible ulcer on the leg of J. B. Orner, Franklin Grove, Ill. For four years it defied all doctors and all remedies. But Bucklen's Arnica Salve had no trouble to cure him. Equally good for Burns, Bruises, Skin Eruptions and Piles. 25c. at all druggists.

## COUNTY FIRE.

About 12 o'clock, on Tuesday night, the fine barn of Mr. Gillier H. Mastin, about two and a half miles from this city, was discovered to be on fire.

In the excitement incident to the discovery, Mr. Mastin ran to the barn without stopping to put on his shoes. When he reached there the whole barn was a mass of flames. He succeeded in saving his carriage and other vehicles, but all of them were more or less damaged. But he was unable to reach a fine young horse which he had purchased only a few days before.

In the endeavor to save the horse and other things Mr. Mastin had his feet and hands pretty badly burned, and was otherwise scorched by treading on hot rocks and smoldering brands.

In addition to the losses mentioned quite a lot of harness and farming implements were destroyed.

The loss will amount to \$1,500, with only partial insurance.

Dr. John G. South was summoned by special messenger (the telephone failing for the first time in years), and he and Mr. John C. Mastin went out to attend to Mr. Mastin's injuries, which were found to be very painful though not necessarily dangerous.

It was lucky for Mr. Mastin that the fire did not come Monday night, as there were four or five other fine horses in the barn, which would have been lost. He thinks the fire was caused by an accident.

## APPOINTED STATE ELECTION COMMISSION.

On Tuesday last Judge James Breathitt, of Christian county, and Mr. Chas. B. Paynter, of Mason county, were selected as the State Election Commissioners of the Republican and Democratic parties respectively. In conjunction with Hon. J. Morgan Clinton, Clerk of the Court of Appeals, who is ex-officio chairman, these gentlemen will compose the commission for one year.

## SIXTY YEARS OF POPULARITY.

Is the record of Painkiller (Perry Davis), but the shops are full of imitations made to sell upon the great reputation of the genuine; be cautious, therefore, when you ask for a bottle to see that you get the genuine. An unfailing remedy for coughs, colds, bronchitis.

## WILLS PROBATED.

The will of Rev. George Darsie, leaving all his property to his wife, was probated Monday. Mrs. Darsie is executor without bond.

The will of Mr. Jos. Robinson was probated Monday. It leaves his estate to his two daughters (Mrs. Newton and Mrs. Farmer) equally. Mr. Ben T. Farmer and Mrs. Chas. Newton are executors.

## CLOSED UP.

The stock of wall paper, paints, etc., of Mr. W. B. Bridgford, in the Catholic building, on St. Clair street, was closed out by his son, Mr. Russell Bridgford, on Monday, and the store closed up.

## ANOTHER GAME WARDEN.

County Judge J. H. Polsgrove has appointed Mr. L. A. Watkins, of Flat Creek, an additional game warden. Judge Polsgrove is determined to stop dynamiting fish and other violations of the game laws.

## SATURDAY'S BLAZE.

Shortly before 7 o'clock, on Saturday night, an alarm from box 13 (followed by an alarm from box 18) called the firemen to the residence of Mr. — Crouse, on Murray street, where a lamp had exploded and set fire to the basement dining room. The fire was soon extinguished with but small loss.

Dr. Weaver's Treatment. Syrup for the blood; Cerate for skin eruptions.

## DEATH CLAIMS CLEVER FELLOW AND GOOD OFFICER.

The sad news was received in this city, on Monday afternoon, that Mr. W. A. Johnson, of Paris, a U. S. Government Storekeeper and Gauger, had died there that afternoon.

Mr. Johnson was an old friend of the proprietor of this paper. He was a printer by trade and followed it until appointed to the position he held at his death. He was a clever gentleman and made an efficient officer. He leaves a wife and two daughters to mourn his death.

## WAR ON DOGS.

Owing to the fact that several dogs have gone mad in our city recently and had to be killed, the police (very wisely, we think) have opened war on the horde of worthless curs that roam our streets, making night hideous and life hazardous for so many of our citizens. If a dog is valuable enough to be worth saving, he is valuable enough for his owner to pay the tax and take care of him, otherwise the sooner he is out of the way the better.

## BUYS HANDSOME LOT.

Mr. J. Jud Brislan has purchased from Mr. Dan Meagher, Sr., his handsome vacant lot on Third street, 60x190 feet, for \$1,500 cash. Mr. Brislan will at once erect a dwelling house. It is a very desirable location.

## LAWRENCEBURG FAIR.

We are in receipt of a complimentary ticket to the Lawrenceburg Fair, which will be held on Tuesday, Wednesday, Thursday and Friday, August 10th, 17th, 18th and 19th.

This association always puts on a first-class, old-fashioned fair, and everybody that attends have a royal good time.

We desire to return our thanks to the officers of the association for their kindly courtesy.

We would urge our citizens to attend this fair. They will not regret it. 2t.

## DISTINGUISHED AND POPULAR LADY DIES.

Mrs. Nelson A. Miles, wife of Lieut. Gen. N. A. Miles, U. S. A., retired, died suddenly at West Point, N. Y., on Tuesday, of heart failure. She was visiting her son, Sherman, who is a cadet at that Academy. She was a niece of Gen. W. T. and Senator John Sherman, and was a popular and handsome lady.

## KING'S DAUGHTERS HOSPITAL.

Some charitably inclined person having a modest sum to give, enclosed fifty cents in a plain envelope and mailed to the secretary of the King's Daughters; this contribution is appreciated and the officers take this occasion to thank the donor. Renewed interest is being taken in the affairs of the King's Daughters by the general public just now, occasioned by the announcement that the committee in charge of arrangements for their proposed new Hospital, have decided upon a plan, and Architect Oberwarth is busy with the details looking to immediate construction of the building which will be a model of simplicity, convenience and hygienic appointment.

The Hospital, as planned, will cost approximately seven thousand dollars, of which amount the ladies have already raised about three thousand, and it remains for the good citizens of this community to let their generous instincts have full sway, and make liberal gifts to this most noteworthy and practically charitable movement. The erection and maintenance of an institution of this character can only redound to the credit of the city, and should be a matter of pride to every citizen.

## A SWEET BREATH.

Is a never failing sign of a healthy stomach. When the breath is bad the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia Cure for curing indigestion, dyspepsia and all stomach disorders. Mrs. Mary S. Crick, of White Plains, Ky., writes: "I have been a dyspeptic for years; tried all kinds of remedies, but continued to grow worse. By the use of Kodol I began to improve at once and after taking a few bottles am fully restored in weight, health and strength and eat whatever I like." Kodol digests what you eat and makes the stomach sweet. Sold by J. W. Gayle.

## REMINISCENCE AND MEMORIAL.

This year is marking the passing of a coterie of citizens of the old school that have been identified with Frankfort's interests for fifty years or more—such men as Capt. Milan, Judge Hord, Dr. Averill and others. It is now our melancholy duty to add another name to this list—that of Joseph Robinson. Mr. Robinson was born in this county December 18, 1823, and died two days ago. He was, therefore, in his 81st year. He leaves two daughters, four grandsons and two granddaughters. His good wife preceded him to the grave by four and a half years.

His has been a successful life in the highest, secure—successful in business, without greed; marked by the highest religious inclination, yet without cant.

His character was developed under a combination of helpful influences. A mild naturally adoptive of the best things was given an impetus in early life by association with such men as the Browns, Henry Clay and the Crittentend. He was then made acquainted with profound religious truth by a devoted wife. The fragrance of this life, so shaped, we see today.

Mr. Robinson lived; loved his people; was loyal to his friends. We hereby express our sympathy to the family—to the officers and members of the church he loved so well, and to the whole community that has lost a sterling friend. J.

## TRAMPS CAGED.

Five tramps, who have been terrorizing people at various points on the Versailles pike, were corralled by Deputy Sheriffs Howard Jeffers, Amos Manford, E. Pierce and Constable M. H. P. Williams, Jr., and lodged in jail on Tuesday last. They gave Jack Cooper, Jesse Johnson, Jake Sloan, Mason Sloan and Henry Kelly as their names. They had gambling implements and a lot of cancelled checks in their possession and were raising scandal generally, having three abandoned women with them.

Judge Polzore fined the men \$20 each and costs, and, in default of payment, they went to the workhouse. The women were told to skeedaddle, which they did.

## READJUSTMENT OF SALARIES.

By the dispatch given below it will be seen that the salaries of Rural Free Delivery Carriers have been readjusted, under the new law, and made much more equitable for all concerned.

Washington, August 3.—An order issued by the Postoffice Department this morning will bring glad tidings to the hearts of over 10,000 rural free delivery carriers adding from \$18 to \$22 to the yearly salary of each. All rural carriers appointed prior to June 30, of this year, who were entitled to the maximum pay, of \$600 under the rules governing the establishment of routes at the time will receive the maximum pay of \$720. The schedule which became effective July 1, is to prevail in fixing the compensation of all carriers appointed since June 30.

Under the readjustment of salaries and routes the standard route was fixed at 24 miles, the pay therefor, being \$720.

The carriers, under the old schedule, who were paid the maximum of \$600, and who had a maximum route were, through the readjustment, given a lower rating. There were also carriers on routes of from 25 to 28 miles who would receive no more compensation than those serving a route of 24 miles. So deeply has the injustice of the new law been felt by the carriers that a number of indignation meetings have been held, the last in New York City. It was with a view of the relieving the apparent inequality that the order issued this morning was made.

## CLIMATIC CURES.

The influence of climatic conditions in the cure of consumption is very much overdrawn. The poor patient, and the rich patient too, can do much better at home by proper diet, their food digestion, and a regular use of German Syrup. Free expectation in the morning is made certain by German Syrup, so is a good night's rest and the absence of that weakening cough and debilitating night sweat. Restless nights and the exhaustion due to coughing, the greatest danger and dread of the consumptive, can be prevented or stopped by taking German Syrup liberally and regularly. Should not be able to go to a warmer climate, you will find that of the thousands of consumptives who have been benefited and regain strength are those that use German Syrup. Trial bottle, 25¢; regular size, 75¢. At all drug stores.

GOOD PEOPLE TO THE RESCUE.

The last Legislature passed an act making an appropriation of \$10,000 for the benefit of the Children's Home Society, located at Louisville, which takes care of all homeless children, provides homes for them and sees that they are properly treated until they are taken to their new homes.

Through some lack of technicality the appropriation failed to become available. It now devolves upon the good people of the State to exert themselves to make good this deficiency.

It has been determined by the directors of the Branch Home Society in this city to hold a meeting on Tuesday night next, in the rooms of the Y. M. C. A., to endeavor to devise means to avert this emergency. Due notice will be given of this meeting in the various churches of the city to-morrow (Sunday).

It is very earnestly urged that there be a large attendance at this Tuesday night meeting. Every good man and good woman should help along this good cause.

### DEATH OF MR. JOHN M. COLEMAN.

At 3 o'clock, p. m., on Sunday afternoon, Mr. John M. Coleman died at his home, on Steele street, of consumption, aged 65 years.

Mr. Coleman was the son of the late Mr. J. Carter Coleman, of this city, and was born and reared here. He was also a nephew of the Hon. Roger C. Mills, U. S. Senator from Texas, his mother being a sister of Mr. Mills.

Mr. Coleman was a quiet, unassuming and retiring gentleman. In early life he was married to Miss Emily Woodson, daughter of the late Mr. R. Klidder Woodson, and eight children were born to them (two sons—Mr. Woodson Coleman and Master John Marshall Coleman; and six daughters—Misses Emily, Annie, Elizabeth, Eva, Mary and Clarice Coleman).

Mr. Coleman was a contractor and builder by occupation, but, owing to ill health, he had not been able to follow his occupation for several years.

He was a member of the First Baptist Church for long years. He was a soldier in the Civil War and was shot through the right breast in an attack on Fort Boone, this city, by Col. Henry Giltner's Confederate Cavalry, from which he never fully recovered.

The funeral services were conducted from his home, on Steele street, on Tuesday morning, at 10:30 o'clock, by Rev. Wm. Crow, of the Southern Presbyterian Church (in the absence of his pastor, Rev. M. B. Adams), and the remains were deposited in the family lot in our cemetery.

In addition to his wife and children, he leaves three brothers (Mr. Ed. J. Coleman, of Louisville; Dr. J. S. Coleman, of this city, and Mr. L. S. Coleman, of Middletown), and three sisters (Mrs. W. W. Jett and Mrs. John M. Jameson, of this city, and Mrs. L. B. Kohnle, of Fort Worth, Texas), besides a large circle of relatives and friends to mourn his death.

### DEWITT IS THE NAME.

When you go to buy Wirt's Hazel Salve look for the name DeWitt on every box. The name DeWitt is used in making Wirt's Hazel Salve, which is the best salve in the world for cuts, burns, bruises, boils, eczema and piles. The popularity of DeWitt's Hazel Salve, due to its many cures, has caused unscrupulous counterfeits to be placed on the market. The genuine bears the name E. C. DeWitt & Co., Chicago. Sold by J. W. Gayle.

Group instantly relieved. Dr. Thomas' Eucalyptic Oil. Perfectly safe. Never fails. At any drug store.

### STRANGER BADLY HURT.

A stranger, supposed to be Frank M. Jones, of Whitley county, was found, on Monday evening, in Cat Fish Alley, with a bad gash on his head and unconscious.

Dr. J. S. Demaree was called and examined the man. He is uncertain, as yet, whether the skull is crushed in or not.

The man had \$28.50 in money in his pocket and a letter addressed to the name given above.

It is not known whether the man (who had been drinking) was hurt by some one or whether he fell on the rocks in the alley and hurt himself.

P. S.—Jones died Wednesday afternoon.

Strain Affected General Health.

## Doctor's Doses Weakened Stomach.

### Dr. Miles' Nervine Cured Me.

Dr. Miles' Restorative Nervine brings rest and sweet sleep to the tired brain worn out with the cares and anxieties of the sick room. Read the following:

"I have always been healthy with the exception of a touch of rheumatism since my wife came on, up to the time of my husband's last illness some years ago. I assisted in nursing my husband for nearly three months when he departed this life and the mental strain I think caused my trouble. Aside from extreme nervousness my trouble consisted of free tremor and neuritis. My physician gave me purgative doses which weakened me very much and my stomach for a time seemed inactive. Mental strain and the dormant condition of my stomach soon told upon my general health. I had little appetite and was soon forced to stay in bed a greater part of the time. Within a week after the time I began taking Dr. Miles' Restorative Nervine and tonic I was up about the house. I continued their use until entirely cured. My faith in Dr. Miles' Remedies has been strengthened by experience of other people, our daughter having used Restorative Nervine with splendid results in a case of paralysis and a friend to whom I sent a box of the Anti-Pain Pills reports that she has been completely cured of neuralgia by their use. I know of a number of others whom your medicine has helped in a large degree. I wish you continued success."—MRS. FRANCES COFFMAN, Dayton, Va.

### WOMAN WINS \$2,500.

Mrs. Herbert Tetlow, Washingtonville, O., Society First Prize in Lion Coffee Contest.

A Fortune for Correctly Estimating World's Fair Attendance on July 4th.—Another Liberal Premium Offered Based on Presidential Vote

Toledo, O., July 21—(Special)—Probably no one was more surprised than Mrs. H. Tetlow, Washingtonville, Ohio, when the postmaster delivered to her an envelope containing a certified check for \$2,500, signed by the Woolson Spice Company of Toledo, Ohio.

This good fortune is the result of an estimate made by Mrs. Tetlow in accordance with the Lion Coffee premium offer to those coming the nearest to estimating the 4th of July attendance at the St. Louis Exposition on July 4th was 130,450. As Mrs. Tetlow's estimate was exactly correct, she was given first reward. Mrs. Tetlow sent in only six estimates.

M. K. Hassinger, Lamona, Pa., received the second prize of \$1,000. E. B. Roschman, Frankfort, O., and James Ashcroft, Raleigh, N. C., each received \$500 prizes. In all, 2,139 prizes, amounting to \$20,000 were awarded.

Throughout the last six months Woolson Spice Company has been publishing in the leading newspapers of America an offer of \$20,000 in cash prizes. The \$20,000 just awarded is in their World's Fair Contest. Another \$20,000 will be given in the same way to those who make the best estimates of the total Presidential vote to be cast next November.

Awakening great interest throughout the country, and Lion Head trade-marks are being eagerly sought after, some cities offering to pay as much as five cents a piece for them.

The progressive methods of advertising and promotion adopted by the Lion Coffee people are sure to add to the popularity of this already well-known and widely sold product.

## FRANKLIN BAPTIST ASSOCIATION.

Frankfort, Ky., July 18, 1904.

The Franklin Association of Baptist Churches will convene with the First Baptist Church of Frankfort, on Wednesday and Thursday, the 24th and 25th days of August, 1904. Pursuant to an order made at the session of the Association in 1903, at Pleasant Ridge Church, it was thought advisable that a central, convenient and permanent place for the meetings of the Association be provided, and that the church, with which the meetings be held under this arrangement, be relieved of all the care and necessity of providing entertainment for the messengers and visitors, and this meeting is to be held under that provision. Ample room will be provided by the Frankfort Church in its former chapel for all visitors and messengers to spread lunch, etc. At a meeting of the Executive Board of the Association, held this day, this arrangement was unanimously adopted, and, by virtue of that arrangement, the place of the meeting the ensuing session was determined as at Frankfort. The Frankfort church, having previously tendered the use of their building for the above purposes, and under above conditions also. The following resolution was unanimously adopted:

Resolved, That a committee of four, viz: J. E. Kirtley, Jas. A. Scott, N. R. Armstrong and E. R. Jones, with the pastor of the Frankfort Church, as ex officio, be appointed, whose duty it shall be to formulate a plan, and present it to the next meeting of the Association, whereby a suitable, central place, may be selected, and all other necessary arrangements for the consideration of the Association.

Resolved, That the Moderator of the Association be requested to give due notice of the above through the Frankfort papers, the Baptist Argus and Recorder.

U. V. WILLIAMS,  
Moderator Franklin Association.

The following standing committees are requested to have their reports ready when the Association convenes:

MYSTERIOUS CIRCUMSTANCES.

## EASILY DECIDED.

This Question Should be Answered Easily by Frankfort People.

Which is wiser—to have confidence in the opinion of your fellow citizen, of people you know, or depend on statements made by utter strangers residing in far away places? Read the following: Mrs. Timie Lagle, of 527 North St. Clair street, wife of Mr. D. Lagle, proprietor of barber shop near the depot, says: "For some four or five years, I hardly knew what it was to be free from an aching back, and the irregular action of the kidneys at the same time, caused other symptoms, which were very annoying and distressing. Although I tried different remedies I was unable to find anything that would do me any permanent good until I learned of Doan's Kidney Pills and procured a box at J. W. Gayle's drug store. I had taken but a few doses of this good preparation when I realized I was regaining my health, and on a continuation of the treatment, I found my condition so much improved as to be almost beyond belief. For all of this I owe my thanks to Doan's Kidney Pills." For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

The son, Thomas Jones, in whose behalf the father had come here to ask a pardon out of the prison, was paroled by the Prison Commission Wednesday, about the time his father passed away, and the two sons took the remains of their father back to their mountain home that night.

SOUTH-BRADLEY—Gov. W. G. Bradley and wife announce the approaching marriage of their daughter, Miss Christine Duncan Bradley, to Dr. John Glover South, of this city, which will take place in the fall.

Miss Bradley is a pretty and popular young lady, who made many warm friends during her residence in this city while her father was Governor of the State.

Mr. South is the son of the late Mr. Samuel South, and is a brother of Hon. Jere W. South, of Arkansas (former Lieutenant Governor of that State), and of Mrs. E. E. Hume, of this city. He is a stalwart and handsome gentleman, and a fine physician.

ROMPE-CLIBERTSON—At the residence of the bride's uncle, on Wednesday afternoon, at 2 o'clock, Mr. Geo. B. Rompe, Jr., of Miami, Fla., and Miss Lucia Hardie Clibertson, were married by Rev. Father Thos. S. Major.

The groom is a very popular and successful young business man of Miami. The bride, who has for quite a while been visiting her uncle and aunt, Mr. and Mrs. Wm. McKee Hardie, is the fair and accomplished daughter of Hon. Wm. Wirt Clibertson, ex-Governor from the 9th District of Kentucky, and Miss Lucy O'Hara Hardie, remembered as one of the charming beauties of our capital city some years ago.

Immediately after the ceremony the happy pair left on the west-bound L. & N. train, in fashion romantic, the place destined for the honeymoon, not being made known to their friends. However, after an interesting trip, they will proceed to Miami, their future home, spending the remainder of the warm season at Terrace Place, the Clibertson residence, on Bay Biscayne.

ALEXANDER-KINKADE—In this city, on Wednesday, Mr. James Alexander and Miss Gertrude Kinkade, both of this county, were married by Judge J. H. Polsgrove.

#### DEMOCRATIC APPELLATE CONVENTION SPLITS.

The Democratic Appellate Court Convention for the 5th District met at Lexington on Thursday, and after a hot session, in which low ware and outcries were in evidence, split wide open over the arbitrary ruling of Mr. W. A. Lee (who is to be the proponent person to call the convention to order), and who undertook to be the whole thing as Committee on Credentials, etc., and who rejected the Carroll contesting delegation from Owen county, and refused to entertain an appeal from his decision.

The Carroll-Sauley delegates, after organizing, adjourned for twenty days.

The famous Music Hall Convention adjourned for twenty days, after being beaten out a block. Such is "politics" in the blue grass.

### RESOLUTIONS OF RESPECT.

The following resolutions were adopted at a meeting of the officers of the Southern Presbyterian Church, held Wednesday last, at Joseph Robinson was born in Franklin county, Kentucky, December 18, 1828, and died in the city of Frankfort, July 28, 1904. The whole of his active life was spent in this city and county. For forty years or more he had been one of the leading citizens of his city and community.

At a joint meeting of the elders and deacons of the Southern Presbyterian Church, the following memorial was adopted in view of his decease:

Mr. Robinson was elected to the Eldership of the Lower Benson Presbyterian Church in May, 1873; when that organization was dissolved, in order that its membership might become the nucleus of the South Frankfort Church, Mr. Robinson, together with Peter Jett (who also had been an elder in the old church) for many years, was installed into the eldership of the new body. Mr. Jett died within a few years after removing to Frankfort. Therefore, this present loss removes the last representative among the office bearers of the old organization.

Mr. Robinson's life and labors are worthy of imitation by every one who seeks the highest efficiency in the discharge of the duties incumbent upon an officer of God's house. He loved his church with the tenderness of a mother. He was devoid of bigotry and cant. His zeal in things pertaining to the cause of the Lord increased as he grew in years. In the joint conference of the church officers he was wise in counsel, always ready for aggressive work, eagerly offering his own services for anything that might further the cause of Zion.

In the session he constantly showed an interest in the spiritual welfare of the whole church, and, while conservative, was always open to any suggestion that might lead to the improvement of the spiritual conditions.

As a presbyter he was noted for his faithfulness in attendance upon the meetings of the church courts. His occasional absence from the Presbytery was always a source of solicitation on the part of his many friends gathered there. But as a visitor, Mr. Robinson was best known and most beloved. He found his highest pleasure in going to the homes of the sick, the aged, the troubled. No member of the flock was neglected, and his neighbors and friends of every denomination welcomed his gentle ministrations. He carried sunshine with him. He was bright, sympathetic, tactful. He forgot himself and his own feeble health in his concern for his friends.

"Life's duty done, as sinks the day,  
Light from its load the spirit flies,  
While heaven and earth combine to say,  
How blest the righteous when he dies."

(For the Roundabout.)  
IN REMEMBRANCE.

Of Rev. Thomas M. Rummans, former pastor of Mt. Zion Church, who died March 29th, 1904, at his home in Lewis county, Kentucky, of consumption. How sad that one so useful should be taken so early, but the fairest flowers are soonest gone.

Although his stay in our community was brief, yet his kind and patient manners, and his earnest Christian endeavors, both in his pastoral labors and in the social circle, touched a chord in our hearts that will ever vibrate tenderly to his memory.

In the bloom of early manhood, In spring time's golden dawn, A useful life, just scarce begun, In the flush of youth's bright morn.

Ever tolling for his Master, Until the harvest days were o'er, Faithful heart and hands, so willing, Tho' afflictions tempted sore.

'Twas an angel came and whispered, Calm and softly in his ear, "Tou, your Father sends a mess, sage, He is calling, don't you hear?"

On his brow the light of heaven Glowed with radiance, calmed all fears, For across the rolling waters Came the welcome sweet and clear.

Then the patient sufferer answered In a tone so faint and low, "I've been waiting for your summons And am ready now to go."

Then the guiding angel took him By his weak and trembling hand, Bore him safely o'er the waters To that bright celestial land.

Round the throne he now is kneeling, Filled with rapture - see him smile - As he listens to the anthems They are chanting all the while.

Hear his voice in triumph blending, As he joins with sweet accord, In that pure and saintly music, Singing praises to the Lord.

A FRIEND.

ESCAPED AN AWFUL FATE.  
Mr. H. Haggins, of Melbourne, Fla., writes: "My doctor told me I had consumption and nothing could be done for me. I was given up to die. The offer of a free trial bottle of Dr. King's New Discovery for Consumption, induced me to try it. Results were startling. I am now on the road to recovery and owe all to Dr. King's New Discovery. It surely saved my life." This great cure is guaranteed for all throat and lung diseases by all druggists. Price 50c, and \$1. Trial bottles free.

STAMPING GROUND.

Mrs. Hattie Perry, wife of Mr. Lon Perry, of Lexington, is dangerously ill.

Mr. R. S. Sprake sold to Mr. B. Stone a lot of six-pound shovels at \$1.15 per hundred.

Mr. J. Lawrence Wilkerson is spending his vacation with us. He is with the John Shillito Co., of Cincinnati.

The wheat crop is nearly all threshed and is proving more satisfactory than was expected. The price is also better than for several years. Twenty cents is being offered now, and many predict \$1 wheat soon.

Mr. W. O. Calvert and family have gone to Trafalgar, Ind., to make their home.

The county candidates for a rally here on Saturday. There was a good crowd out and "many voters" got in his work freely.

The drought still afflicts our farmers. Crops of all kinds are suffering.

An elaborate display of fire works has been secured.

GOOD SPIRITS.

Good spirits don't all come from Kentucky. Their main source is the liver—and all the fine spirits ever made in the Blue Grass State could not remedy a bad liver or the hundred-and-one ill effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower—the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25c; regular bottles, 75c. At all druggists.

"DO IT TO-DAY."

The time - worn infestation, "Never put off 'till to-morrow what you can do to-day," is now generally presented in this form: "Do it to-day!" That is the terse advice we want to give you about that hacking cough or demoralizing cold which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it to-day—and let that remedy be Dr. Boecher's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deeply seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. Now trial bottles, 25c; regular size, 75c. At all druggists.
